General Rules and Information:

All exhibitors showing animals must reserve pens. Return the page titled “pen reservation form” to Mrs. Schaffner by May 16 to reserve a spot for your animals, please respect the deadline, or a \$10 fee will apply. These can be emailed to thecolfaxfreefair@gmail.com. Animals cannot be brought to the fair until Thursday morning. **Rules are set to make everything as fair and uniform as possible.** Through this entire book, where dates have been omitted and days of the week are used, the day pertains to the week of the fair only (Wednesday-Sunday of fair week).

The FFA Alumni meets the first Tuesday of June at 7 p.m. at the Colfax fairgrounds. If an exhibitor has any special requests or concerns, they should be present at that time.

1. Members of the following clubs within the counties of Barron, Dunn, Chippewa, Pepin, Eau Claire, and St. Croix are eligible to compete: FFA, FBLA, FCCLA, NHS, Boy Scouts, Girl Scouts, 4-H, Supporting Livestock Breed Organizations
2. Leaders of clubs: if you have a member with special needs, please let the fair know at thecolfaxfreefair@gmail.com
3. **Every club is required to participate in building watches in the arts/crafts building. If shifts are not covered, the building will be closed.** The Colfax Fair Board is not responsible for the loss, theft, or damage of any entry or livestock. All Clubs are responsible to have security in buildings where they have entries. If there are any changes that need to be made to the watch schedule, please contact thecolfaxfreefair@gmail.com by June 1st.
4. When entering an exhibit, follow the rules of that division. Failure to do so can result in a lower placement.
5. The craft building will be open for reception of exhibits from 6:30-8 p.m. on Wednesday and 8--11:30 a.m. on Thursday of fair week. **HAVE YOUR ENTRIES in FAIR ENTRY by May 16th!** Animals can only be brought in on Thursday morning.
6. All exhibits must remain on display until 1 p.m. on Sunday. Removal of exhibits can be done between 1 and 2 p.m. Anything left after 2 p.m. will be disposed of. **The consequence for prematurely removing an exhibit is forfeiture of premiums and disqualification from participating in the fair in future years.**

GENERAL ANIMAL RULES:

1. All animals must be at the fair on Thursday by 11:30 a.m.
2. Exhibitors must show their own animals with exception when the exhibitor has more than one animal to show.
3. All animals must be in the care of the exhibitor by May 1st of the current year. This pertains to before and during the fair. Failure to do so will be a forfeit of ribbons and premiums.
4. Livestock exhibits are limited to 5 beef, 6 swine, 9 sheep, 9 goats. Poultry is limited to 10 and rabbit/cavy is limited to 7.
5. Bring the Colfax Fair Health Certificate on entry day and deliver it to the superintendent of the livestock building. All animals must meet health requirements as established by DATCP (<https://datcp.wi.gov/Documents/FairRulesAnimals.pdf>). Animals **cannot be unloaded** until health papers are checked and approved by the designated Colfax FFA Alumni member.
6. All poultry must be tested and papers must be brought to the superintendent at the fair.
7. All exhibitors are responsible for setting up their own stalls and cages, and putting them away properly in the storage closet.
8. Walk animals east and north of the livestock buildings.
9. No high pressure washers allowed on the fairgrounds due to safety.
10. Exhibitors should bring PVC pipe with nipple for watering their swine. No tub waterers.
11. General clean-up is required to be done daily by exhibitors.
12. All bedding must be removed from stalls, pens and cages. Bedding must be put into the center aisles by 3 p.m. on Sunday. Failure to do so will cause premiums to be withheld.
13. Anyone mistreating animals will automatically lose their premiums and will not be eligible for sale at auction.
14. All animal exhibits must participate in showmanship.
15. FFA Alumni executive board and superintendents have the right to disqualify any animal or exhibitor for inappropriate show behavior or safety reasons.
16. Exhibitors must have their own showing equipment including halters, show sticks, feed pans, water buckets, shovels, etc.
17. Exhibitors must continue to maintain proper animal health, including maintaining an established diet through the duration of the fair.

MARKET ANIMAL RULES:

1. Exhibitors must show the animal and have completed YQCA training in order to sell that animal at the FFA Alumni Auction and meet division requirements.
2. All animals must be at the fair and weighed in by 11:30 a.m. on Thursday.
3. Upon checking in your animal(s) at the fair, you will be required to designate which meat plant it will be transported to. Your choices will be announced at check-in at the fair.
4. Maximum paid weight for beef is 1600 pounds. Maximum paid weight for swine is 280 pounds. Maximum weight for sheep is 160 pounds. No maximum paid weight for goats.
5. Only clubs within a 17-mile radius of the fairgrounds may participate in the auction.

Section 3: Tomatoes, ripe or green, plate of 3

Section 4: Onions, plate of 5

Section 5: Peas, 1 pint

Section 6: Rhubarb, 5 stalks

Section 7: Potatoes, plate of 5

Section 8: Radishes, plate of 5

Section 9: Yellow beans, 1 pint

Section 10: Green beans, 1 pint

Section 11: Three chards of spinach

Section 12: Box display of garden produce, 5 varieties, 3 each

CLASS D: Plant and Soil Experiments—posters—poster size 14" x 22"

Section 1: Poster pertaining to plant reproduction

Section 2: Poster pertaining to soils

Section 3: Poster pertaining to plant growth facts

CLASS E: Soils and Conservation Projects—poster or other form—poster size 14" x 22"

Section 1: Exhibit pertaining to soil texture

- Section 2: Exhibit pertaining to soil structure
- Section 3: Exhibit pertaining to water holding capacity or other
- Section 4: Exhibit pertaining to soil formation
- Section 5: Exhibit pertaining to soil fertility and plant

Computers-Division 21

CLASS A: Beginning (3rd-6th grade)/CLASS B: Advanced (7th grade and older)

- Section 1: Poster or display related to computer technology in our lives
- Section 2: Poster or display related to network technology
- Section 3: Computer generated graphic illustration
- Section 4: Computer generated sign or card
- Section 5: Computer generated CAD design (computer-aided design)
- Section 6: Computer generated art designed by exhibitor
- Section 7: Any other

Posters-Division 22

Limit of three per exhibitor. Poster size is 14" x 22".

CLASS A: Poster (3rd-6th grade)/CLASS B: Poster (7th grade and older)

- Section 1: Safety
- Section 2: Wildlife
- Section 3: Conservation
- Section 4: Dairy
- Section 5: Health
- Section 6: Any other poster

Clothing/Sewing-Division 23

Exhibitors must have all clothing on hangers. Clothing must have a 3x5 card pinned to garment stating the fiber content (state percentages), care information, intended use and pattern company and pattern number. If changes on original pattern are made, describe them, type of interfacing (if used), preparation of fabric & notions (binding, zippers, tapes), amount of time spent, brief description of steps in making article and estimated total cost of garment.

CLASS A: Fun with clothing (3rd -6th grade)

- Section 1: Lunch bag or tote bag
- Section 2: Simple article to wear at home-apron, BBQ mitt, pillow
- Section 3: Simple accessory for self-scarf, tie, headband, hair bow
- Section 4: Simple skirt or dress—use easy pattern, no buttons/zippers
- Section 5: Simple shorts, slacks, no zippers, snaps or buttons
- Section 6: Simple top using easy pattern
- Section 7: Recycled garment or accessory
- Section 8: Simple unique costume
- Section 9: Any other sewing

CLASS B: Sew Much More (7th -8th grade)

- Section 1: Bathrobe/sleepwear
- Section 2: Vest
- Section 3: Garment for another person
- Section 4: Dress
- Section 5: Lap quilt
- Section 6: Skirt or pants with top
- Section 7: Article made with polar fleece

- Section 8: Recycled article-state what it was made from and process
- Section 9: Exhibit on selection of one item of ready to wear using good buymanship practice. Describe in detail how it is good buymanship.
- Section 10: A sportswear outfit (2 piece)
- Section 11: Any other sewing

CLASS C: Sewing Beyond (9th grade and older)

- Section 1: Complete outfit, 2 or more pieces
- Section 2: Wall hanging/table runner
- Section 3: Any article using appliqué
- Section 4: Garment for another individual
- Section 5: Dress Casual
- Section 6: Dress formal party
- Section 7: Skirt with blouse
- Section 8: Quilt
- Section 9: Recycled garment (tell what it is made from)
- Section 10: Exhibit on selection of ready to wear using good buymanship. Describe in detail how it is good buymanship.
- Section 11: A sportswear outfit (2 piece)
- Section 12: Any other sewing

Knitting and Crocheting-Division 24

Limit of five articles. Attach a 3x5 card to all articles stating fiber content, intended use, care and cost.

CLASS A: Knitting (3rd- 6th grade)/CLASS B: Knitting (7th grade and older)

- | | |
|---------------------|-------------------------------|
| Section 1: Slippers | Section 4: Two-needle mittens |
| Section 2: Hat | Section 5: Simple afghan |
| Section 3: Scarf | Section 6: Any other article |

CLASS C: Crocheting (6th grade and younger)

- | | |
|-----------------------------------|------------------------------------|
| Section 1: Small purse | Section 4: Bedspread or tablecloth |
| Section 2: Scarf, hat or slippers | Section 5: Simple afghan |
| Section 3: Potholder | Section 6: any other article |

CLASS D: Crocheting (7th grade and older)

- | | |
|---|------------------------------|
| Section 1: Purse | Section 5: Afghan |
| Section 2: Scarf, hat or slippers | Section 6: Pillow |
| Section 3: Baby set –cap, sweater and booties | Section 7: Any other article |
| Section 4: Bedspread or tablecloth | |

Food Preservation-Division 25

All entries must have been canned since June 1st of last year. The judge may open jars for tasting. Must be in standard canning jar with a label attached stating date canned, name of contents, method of preserving and method of processing.

CLASS A: Food Preservation

- | | |
|--------------------------------------|--|
| Section 1: Fruits, 1 jar any kind | Section 6: Applesauce |
| Section 2: Vegetable, 1 jar any kind | Section 7: Whole or quartered tomatoes |

Section 3: Pickles, 1 jar any kind
