National Convention Permission Slip

I, _____ (parent's name), have read the letter referring to location, field trip rules, and requirements for attending the National FFA Convention. I give my _____ (son or daughter) permission to attend the convention from October 25th-October 28st. I understand that we will be taking a van to Greenwood, WI and taking a coach bus heading for Indianapolis, IN. I acknowledge that the van will leave at 6:30AM whether they are in the van or not, nonrefundable. I will ensure that my child has the proper official dress to attend the convention. My student will follow school policy and respect the National FFA rules about drugs, alcohol, behavior, etc. If my child breaks these rules it will be at the expense of my child and I. I know that they will be sent home immediately. I also acknowledge that they will not attend any FFA field trips for the remainder of the current school year.

I understand that my child will not be home until Friday, October 28, 2022 around the time of midnight, according to traffic, stops, etc. My child will have \$150 paid by the time they are on the bus, including the \$100 down payment. If they choose to present to the Alumni they can be sponsored \$100 towards the trip. Leaving the total of \$100 owed to the FFA. If your child does not present they will owe \$200 to the FFA in order to graduate. This does not include food, beverages, and apparel. I understand that this DOES include concert tickets, convention tickets, gas mileage, hotel stay etc. I understand that \$400 is an estimation and that the amount will depend on gas prices and additional mileage. I understand that if the price is less that I will be refunded the difference and if the price is more that my student is responsible for the difference.

Students must turn in an Agriscience Pre-Arranged Absence form. This form makes them responsible for the classes they are missing. The students must recognize every one of their current classes before leaving for Indiana. Students must fill-out the form required by the National FFA to attend the National FFA Convention.

I agree with the letter sent home and the information written in this letter. My student and I will discuss their responsibilities on this trip.
